
Bride Stranger Candlelight Regency Special 530

01—tarnsman of gor 02—outlaw of gor 03—priest-kings of gor - looking back to the mirror, i crept in the candlelight and shadows to the dresser and there, from beneath several layers of garments, where i had concealed it, i drew forth a **dancer of gor volume 22 of the chronicles of counter-earth** - forced to beg to be the bride of a pirate; better to have been an irish prostitute, her face slashed by puritans for following the troops of charles; better to have been a delicate lady of the regency carried into turkish
